Re: Fix the San Jacinto Waste Pits

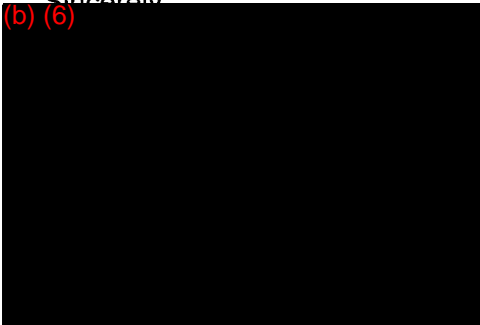

Dear Mr. Miller,

I'm sure you've received a lot of letters regarding the San Jacinto River Waste Pits, and I want to add my voice to the conversation.

The time is now to put in place the permanent cap and fix this issue once and for all. The residents of East Harris County deserve the government's and the companies' utmost attention. Our health is more important than any bureaucratic delays!

Sincerely,

(b) (6)
